

Disclosure Log as at 25/11/2025

This disclosure log is prepared in accordance with section 25 of the *Government Information (Public Access) Act 2009*.

The log publishes details of information released in response to access applications that Central Coast Council considers may be of interest to the public.

The purpose of this log is to record the following information about each access application:

- the date the application was decided,
- a description of the information to which access was provided, and
- whether any of the information is available from Council to other members of the public and if it is, how can it be accessed.

Details are entered in the disclosure log after the access application has been decided and when review rights related to Council's decision to include the details of the released information in the disclosure log are no longer pending.

Council will review and update this disclosure log monthly.
