### ADVICE TO APPLICANT:

- 1 This application is made to seek the agreement of Council to the acceptance of the giving of a security to Council that the applicant will undertake certain works, in a time to be agreed.  
The application will be assessed against the Criteria and Requirements of Council's Policies.
- 2 The following information is to be provided (as a minimum):
  - A copy of engineering plans marked up to show the incomplete works
  - Details of any interim or temporary measures as may be required to ensure public safety in respect of the state of incomplete works and the completion of those works such as the provision of signposting and barricades
  - The Contractors itemised quotation or an itemised estimate based on the Contractors rates for the completion of works including provision for erosion and sediment control and traffic control works
- 3 Council, following receipt of the application, may request further information from the Applicant to support the application.
- 4 The determination of this application will be communicated with the applicant. Only the applicant may make enquiries in respect of progress on the determination of this application.
